Subject: Cultural Resources Work Group Meeting Materials
Oroville Facilities Relicensing Program
Federal Energy Regulatory Commission Project No. 2100

Enclosed for your information and use at our next meeting are the following materials:

- ♦ Draft Resource Action Identification Forms (RAIFs) for CRWG25, CRWG26, CRWG27, and CRWG28;
- ♦ CRWG Resource Action Matrix, updated to reflect the RAIFs listed above; and
- ♦ CRWG Resource Action Worksheet

Please add the enclosed draft RAIFs to the materials mailed to you October 1, 2003. These forms feature a few more of the Cultural Resources Work Group's ideas for resource actions to address agreed-upon cultural resource goals. Through the collaborative efforts of the CRWG, 28 concepts have been developed into completed Resource Action Identification Forms. You are encouraged to prepare a draft RAIF for any additional proposal you wish to submit and bring it to the upcoming meeting for discussion.

The enclosed Resource Action Worksheet summarizes the 28 available RAIFs, sorted into two groups: those addressing protection or mitigation measures (listed with an "X" in the P/M/E column) and those considered to be enhancements. We will discuss the contents of this worksheet in more detail at the October 21 meeting.

Please review these materials in preparation for meaningful discussion at the CRWG meeting, to be held Tuesday, October 21, 2003 at Mooretown Rancheria.

Sincerely,
